

Harper Fix-It Shop

(830) 864-4726

8 AM - 5PM Monday - Friday

If you're needing help with any of your non-working items, bring them to the Fix-It shop and lets see what we can do with it.

We can work on just about anything from computers to small engines and just about anything in-between.

We work on a flat rate scale which means your cost will be the same if it takes 1 hour or 10 hours to fix.

Labor \$ 50.00 plus parts and tax

In the event we can fix it but you choose not to fix it after finding out what the parts will cost, we charge a minimum diagnostic fee.

Diagnostic Fee \$ 25.00 plus tax

I've been told that there is a need for a business of this type and I have agreed to start it.

I'm starting it on a shoestring so I will need to collect a \$ 20.00 deposit up front to help buy any parts that I might not have.

Your deposit will be applied against your final bill

We are located at 171 Palmer Avenue
off of Gammenthaler as you're heading south on the
Kerrville Road HWY-783S
